Dear **SATYAM**,

CIN ID: **FIT/OCT26/DS24259**

We are pleased to inform you that you have been selected for the **Data Science & Analytics Internship Program** at **Future Interns**.

This internship is designed to provide structured, hands-on exposure to data analysis, problem-solving, and real-world project work aligned with industry standards. Your selection reflects your interest and

## Offer Letter & Program Information

- Your official Offer Letter is attached to this email.
- Please review the **Task List Document** carefully to understand your responsibilities, deliverables, and evaluation criteria.

📋 **Task Document: Access Task List**

## Internship Timeline

- **Start Date:** 27/10/2026
- **Project Submission Deadline:** 27/11/2026

## Technical Requirements

- Create a GitHub repository titled **FUTURE_DS_01**
- Upload all assigned work to this repository
- Submit the repository link through the official task submission form (to be shared separately)

## Professional Engagement Requirements

To maintain professional visibility and transparency, interns are required to:

- Share the Offer Letter on LinkedIn
- Tag **Future Interns** and use **#futureinterns**
- Post periodic updates upon completion of major tasks (optional)

**Failure to meet these requirements may impact internship continuation and certification eligibility.**

## Important Notes

- This is an unpaid internship
- Internship Certificate and Letter of Recommendation (LoR) will be issued upon successful completion
- Adherence to deadlines and program guidelines is mandatory

## Communication & Updates
